The better the question. The better the answer.  
The better the world works.

### **Wanted: Accounting Intern/Consultant**

Everything you will do will come back to providing accounting activities for our clients. As an Accounting Specialist, you will work on various accounting projects and engagements in different industry sectors in which EY is acknowledged as a market leader. As you build your knowledge and experience, you will become a credible accountant, finance specialist, influencing clients and projects teams on resolutions that will impact entire industries.

### **What we expect from you is:**

- Curiosity and keeping up with tax and accounting news
- Motivation and willingness to grow as an expert in accounting professional services
- Proper mix of strong communication and interpersonal skills as well as analytical and critical thinking skills
- Strong academic record including the university degree or being last year student in economics/ finance/ accounting or related area
- Excellent spoken and written Lithuanian and English

### **What we offer to you is:**

- EY provides an opportunity for you to stay as a professional consultant after your internship
- Work in bright, friendly and energetic teams
- Participation in international projects and teamwork with our leaders and industry leading client people
- Boost the potential of your accounting and finance knowledge and skills by working on a large scale and challenging projects with some of the most well-known companies
