

Building a better
working world

EY Lithuania is looking for

IT Advisory Consultants in Digital

As an IT Advisory Consultant in DIGITAL, you will be a part of the leading local and international teams on exciting DIGITAL related projects to drive business growth, innovate digital solutions and services and make them work unprecedented in any other country of the world.

You will engage with clients in various industries throughout the entire DIGITAL journey: from developing IT strategies, redefining IT governance, to connecting IT offerings with business needs, reshaping their enterprise and IT/IS architectures and implementing their IT/IS solutions.

What we expect from you is:

- ▶ Drive on DIGITAL services, IT & Cloud services or IT governance
- ▶ Curiosity and keeping up with newest Hi-Tech and disruptive technologies
- ▶ Motivation and willingness to grow as an expert in IT advisory professional services
- ▶ Proper mix of strong communication and interpersonal skills as well as analytical and critical thinking skills
- ▶ University degree or being last year student in IT-related area
- ▶ Excellent spoken and written Lithuanian and English
- ▶ Willingness to travel

What we offer to you is:

- ▶ Work in bright, friendly and energetic international teams
- ▶ Journey through unprecedented engagements in DIGITAL
- ▶ Participation in international (not limited to EU) projects and teamwork with our leaders and industry leading client people
- ▶ Faster than ever growth of your personal and professional skills
- ▶ Boost the potential of your core IT knowledge and skills by working on a large scale and challenging projects with some of the most well-known companies and trending technologies
- ▶ Realize your professional life for practically making a better working world

EY is a global professional services organization providing advisory, assurance, tax and transaction services.
