

Littelfuse Summer Internship Session 2018

Start your career as

Production Process Technician Intern

- ✓ Do you want to **gain experience** in a truly global company?
- ✓ Are you interested in **new technology** and how it works in international **automotive manufacturing company**?
- ✓ Can you describe yourself as **technical person** with passion of **improving processes** and technologies?

Then rise to the challenge and take on-the-job training: learn how

- ✓ expand your knowledge about the most innovative equipment and LEAN
- ✓ provide technical support and experiments in new product implementation to gather data for analysis
- ✓ show your bright and critical mind by coming up with solutions for improvements and ensuring continuous production process

Join the global leader:

Littelfuse is the global leader in circuit protection with offices in over 30 locations, more than 10 000 employees worldwide and more than 780 associates working in Kaunas. Be an intern at Littelfuse since 4th of June for period of 2-3 months and have the chance to experience international culture, gain experience and prove you are worth the job. Apply to Littelfuse Internship program and have a chance to experience it all.
