

Established in 1972, Euromonitor International is the world leader in strategic business research and analysis. In addition to our Head office in London, we have offices in 14 other countries with over 1,250 staff, and a further 1000 contributing analysts in over 100 countries around the world. As an independent company and recognised innovator, consistently out-performing our peers, we were the UK Private Company of the Year 2013 and in 2014 won the Queen's Award for Enterprise.

Our products now include our award-winning Passport database, consumer and industrial market reports, detailed city surveys, future trends and consumer surveys. We also have a flourishing Consulting division. Our reports, analysis and forecasts are considered essential reading by business leaders for their cutting-edge content, design and usability. Euromonitor's clients include the world's major multinationals, banks, consultancies, libraries and business schools. Currently Euromonitor International has an opening for:

DATA ANALYST (INTERNSHIP)

We are currently offering internship opportunities at Euromonitor International's Research team in Vilnius office. Position is open to **students who are looking for a structured induction program and early career progression.**

Key Responsibilities:

- Data collection, obtaining and analyzing statistical data from National and International statistic providers
- Standardizing raw data to set of cross-country comparable definitions, interpolating and extrapolating standardized data using statistical techniques and additional data or information
- Specifically, interns will work on Production and Trade statistics by industry

Key Requirements:

- Understanding and interest in international economic, demographic and industry trend
- A high level of numeracy
- Methodical approach to repetitive tasks and unwavering attention to detail
- Advanced MS Excel knowledge (VBA knowledge would be an advantage)
- Knowledge of at least one statistical/econometric software package (preferably R) will be considered as a plus
- Good spoken and written English

In return, we offer an international, fast-growing, dynamic, and challenging internship environment as well as expose to working with global clients.

You are welcome to apply with full CV in English. **Deadline: 2nd January, 2019.**

Confidentiality guaranteed. Only successful candidates will be notified.
