

Do you want:

- To learn about the business activities of companies from over 20 different sectors during the very first year of employment
- To take part in the professional training programme on audit methodology in Druskininkai or Palanga during the first weeks of your work
- To obtain ACCA certification
- To sign your employment contract today, but start your work only in September
- To become a member of a global PwC network of more than 250,000 professionals in 158 countries?

If your answers are 'Yes', take a look at our offer and send us your CV!

Audit Associate

Your role:

- Examine financial and accounting records
- Carry out analytical, risk assessment procedures and tests of details
- Identify accounting issues
- Understand and validate internal control procedures applied by clients operating in different industries
- Communicate with responsible accounting employees and the audit manager

What's in it for you:

- Integrated experience in the areas of accounting, finance, process and risk assessment, and project management
- Continuous professional development and career possibilities in Lithuania and other countries of global PwC network
- Consistent and high quality professional training programmes
- Dynamic development: one year in PwC equals 2-3 in most of other companies
- A chance to contribute to the internal programmes and initiatives of our organisation (social responsibility, internal process automation, etc.)
- A possibility to take part in team-building and sports events of the global PwC network (in Lithuania and abroad)
- Health insurance

What we are looking for:

- Bachelor degree (or final year student) in Accounting / Economics / Finance
- Strong analytical and organisational abilities
- Good knowledge of key accounting principles (would be considered as an advantage)
- Experience in similar position or accounting/finance area (would be considered as an advantage)
- Ambitious and motivated
- Proactive, problem-solving and effective team-player with good analytical skills
- Fluent in English
- Willingness to travel
